

ANTI-SWINE IL-13

Polyclonal Antibody

Description: Anti-swine IL-13 polyclonal antibody

Catalog Number: PB0094S-100

Lot Number: HJ0156EJ

Quantity: 100 µg

Concentration: 0.9 mg/mL

Volume: 111 µL

Host: Goat

Purification: Swine IL-13 affinity chromatography

Immunogen: Recombinant swine IL-13

Molecular Weight: 13.2 kDa (calculated) for swine IL-13

Applications: **Western blot** - Not recommended

ELISA - 0.5-10 µg/mL (capture antibody)

The recommended concentrations are approximate values. Optimal dilutions should be determined for each application.

Formulation: 1X PBS buffer containing 0.09% NaN₃

Stability and Storage: Stable for up to twelve months from date of receipt at 2-8°C.

Country of Origin: USA

Warranty: Products are warranted by Kingfisher Biotech, Inc. to meet stated product specifications and to conform to label descriptions when used, handled and stored according to instructions. Unless otherwise stated, this warranty is limited to one year from date of sale or expiry date, whichever comes first. Kingfisher Biotech's sole liability for the product is limited to replacement of the product or refund of the purchase price. Kingfisher Biotech products are supplied for research applications. They are not intended for medicinal, diagnostic or therapeutic use. The products may not be resold, modified for resale or used to manufacture commercial products without prior written approval from Kingfisher Biotech, Inc.

Quality Control Signature:

A handwritten signature in cursive script that reads "Laura J. Kakach". The signature is written in black ink on a white background.
